CHINESE
 + Music & Movement
 + Art & Craft
 + Storytelling
 + Games
 and more...

Mandarin is taught in a **happy atmosphere** through various fun activities integrating with Chinese culture.

Children will learn Chinese/ Mandarin in a **FUN** and **CREATIVE** way with us! We do talking, singing, playing, drawing and making! That's the way children enjoy and that's the way children learn.

We want them to **LOVE the language!**

Maya. age 4

Mandarin / Abacus / Calligraphy East/ Central/ West London
